10. **RESTRICTED TENDERS.** Invitation to Bids are circulated among the registered suppliers with Ministry of Defence (MOD), only bids submitted by registered suppliers will be allowed for consideration. However, Chairman, Department Procurement Committee reserves the right to invite the bids from multiple combinations of Procurement Methods as stipulated in Chapter III of the Government Procurement Guideline, 2006 to ensure highest competitiveness.

11. **PERFORMANCE BOND/GUARANTEE.** A successful bidder shall furnish a Performance Bond/Guarantee in the form of "On Demand" & "Unconditional" Bank/Insurance Guarantee for a sum equivalent to 10% of the contract value for every contract that exceeds Rs. 2,000,000.00 or equivalent amount in foreign currency through a recognized Commercial Bank registered in Sri Lanka or through an Insurance Company authorized by the Insurance Board of loss resulting from the supplier's failure to complete his performance obligations under the contract. If the contracted supplier fails to deliver the items Sri Lanka to issue such Performance Guarantee for this purpose, **within two weeks from the date of notification of award.** The proceeds of the Performance Bond/Guarantee shall be payable to the Vice Chancellor of the General Sir John Kotelawala Defence University as compensation for any o

12. time or fails to complete the works as per the agreed contract, **THE TOTAL VALUE OF THE PERFORMANCE BOND/GUARANTEE** will be forfeited. If only partial delivery is made during the agreed contract period, the corresponding value percentage of undelivered quantity from the Performance Bond/Guarantee will be forfeited.

13. **SIGNING OF CONTRACT.** The notification of award will be transmitted to the successful bidder by post, by fax or e-mail. This notification constitutes the formation of the contract. The successful bidder should submit his written acceptance for the award and performance bond / guarantee (For awards over Rs. 500,000.00 without VAT) within 14 days of receipt of such notification. Upon acceptance of the award and furnishing of the Performance Bond/Guarantee, the successful bidder will have to enter into a formal contract with the Vice Chancellor of the General Sir John Kotelawala Defence University by signing the Contract.

14. **DELIVERY.** Preference will be given for early delivery. In case of bulk supplies for locally manufactured items, the delivery of **total quantity must be completed within 120 days of signing of contract,** unless mutually agreed for extended delivery period with University Hospital Kotelawala Defence University. **The bidder/s must indicate the proposed delivery schedule in Annex "E".** In the event of placing a purchase order with the successful bidder, the total quantity so ordered must be supplied as one consignment unless part deliveries are agreed upon in the contract. The deliveries not made as per agreed delivery schedule will be considered as bad performances by the suppliers and **no extended delivery period will be authorized.** Under extreme unavoidable conditions too, the Chairman, Department Procurement Committee (Vice Chancellor of the General Sir John Kotelawala Defence University) reserves the right to grant or refuse delivery period extensions only within the current financial year with or without liquidated claim for delayed deliveries and that decision will be final.

15. **LIQUIDATED DAMAGES.** In case of delivery period extensions requested by the successful bidder, a sum equivalent to 2% of the total value of the delayed supply per delay of one week or part thereof may be deducted from the payment due to the supplier from the University Hospital General Sir John Kotelawala Defence University as liquidated damages up to the maximum limit of 10% of the total value of delayed supplies.

16. **PAYMENT TERMS FOR LOCALLY DELIVERED ITEMS.** Payment will be made after acceptance of items which should be subjected to a pre-acceptance inspection/testing by University Hospital General Sir John Kotelawala Defence University authorities. The delivery made to University Hospital should not be considered as quantities taken over by University Hospital General Sir John Kotelawala Defence University until items are properly accepted after pre-acceptance inspection. Any item that does not conform to the specifications or already approved sample will be rejected & it is the responsibility of the supplier to remove them from University Hospital stores/premises within 07 working days of such intimation (either verbal or written) at his own cost and replace them with items conforming to specification within one month of such rejection. The bidder shall allow approximately 60-90 days period of credit from the date of acceptance of items for Account Office, University Hospital General Sir John Kotelawala Defence University to obtain liquid cash from General Treasury & release the payment.

17. **RIGHTS OF THE PROCUREMENT COMMITTEE.** The Department Procurement Committee reserve the right to accept or reject whole or part of this tender and their decision will be final. The successful bidders will be notified. Information with regard to rejected or unsuccessful bids will not be communicated.

Thanking You,
Yours faithfully,

1. Project

Setting up a professional Audiometric suite for ENT Department of University Hospital of KDU, for conducting Diagnostic tests for patients with hearing impairments and related issues.

2. Scope

The scope of the project involves re-configuration of the room layout in the allocated space in the existing building, as per the new room layout proposed by the ENT Consultant of UHKDU, soundproofing and final finishes to comply with professional standards.

Proposed Audiometric suite comprises of three sound proof functional modules.

- 1) Audiometric Booth (Patient's Room)
- 2) Control Room (Audiologist's room)
- 3) Audiology Room (ABR room)

2.1 Scope of the document

This specification addresses the needs of stipulation of standards for the setting up of the aforementioned Audiometric suite comprising of the three functional modules.

Notes :

- 1) Dimensions of the construction / fabrication shall be as per the diagrams attached in section 4. (Audiometric Suite layouts) of this document, unless otherwise specified in section 3. (Technical Specification).
- 2) CFM requirement of the AC supply to be stipulated by the bidder and a request has to be made to the building contractor. (Air conditioning supply and return duct lines will be routed from the Air handler Unit (AHU) of the Central AC system of the building. Internal Building contractor will provide ducts up to the facility).
- 3) Necessary noise filters, Valves, attenuators shall be installed by the bidder to **Supply** and **Return** air ducts for maintaining specified noise levels in all three rooms, and isolation of three rooms acoustically from each other.
- 4) **All acoustical paneling on walls and ceilings shall be with neat, rugged, durable final finish and aesthetically pleasing appearance.**
- 5) All Electrical accessories, Lt minaires, controllers, dimmers etc. shall be compatible with AC power supply voltage - AC 230 Volts, 50 Hz.
- 6) Electrical system shall have provision for a Single phase central UPS input with a Change-over switch (a UPS unit placed out of the Audiology unit premises)
- 7) Bidder shall ensure the fire rating of all the material used for the construction and fabrication are high and the final product is fire proof and fire safe to the highest extent. Bidder shall liaise with the fire prevention department of UHKDU for any further requirements.

5. Warranty, Service Agreements and Documentation

- 1) All items described in the schedule should be covered by a warranty for a period of not less than 24 calendar months from the date of successful commissioning against manufacturing defects, workmanship and all other issues.
- 2) Technology / service manuals / operations manuals, any other technical detail should be handed over to the client at the time of commissioning.
- 3) Supply of spare parts, replaceable items/ consumables should be guaranteed for a period of 10 years starting from the date of successful commissioning. A price list for such items over a period of 10 years from the date of installation should be made available.

6. General conditions for bidders

- 1) The bidder shall implement maximum level of **Fire safety conditions** in order to prevent any possible fire hazard in using electricity, power tools, welding gear etc. during the construction.
- 2) All the material (wood, any absorbent material based on biomass etc.) are to be chemically treated before the delivery to the site to prevent development of breeding grounds for harmful insects (termites etc.), and any possible termite attacks at the site in the long run.
- 3) Bidder shall take necessary precautions to minimize disturbances to the ongoing operations of UHKDU during the construction & fabrication work. Bidder , or any representative , can liaise with professional staff at the Audiology department of UHKDU on the same and implement a " No disturbances to ongoing operations during construction" policy during work.
- 4) All electrical components and conduits shall be recessed into the wall panels, and shall be wired in GI conduits with threaded joints not exposing to the exterior in order to prevent any possible electrical fires.
- 5) Screened metal galvanized (GI) power outlets (Industrial type) should be used as recessed power outlets in areas where acoustical panels, fabric lining has been installed as a part of acoustic treatment.

- 6) Grounding terminal of the Electrical system shall be provided by the bidder for a dedicated grounding system for the Audiometry suite. (Connection of this terminal to the earth ground is the responsibility of the client - UHKDU).
- 7) The bidder should provide a certificate of sound level of separate rooms as mentioned in the specification, issued by a recognized third party accreditation body following the completion of fabrication, at the expense of the bidder, as recommended by ENT Consultant. UHKDU will not bear any cost related to this procedure.
- 8) Provisions such as access to the site, utility (electricity, water etc.) and permission for work out of office hours (night work etc. if required) are responsibility of the client, UHKDU.

7. Bidding conditions

1. Bidder should be able to show prior experience in building sound proof suits in health institutions and should be able to confirm the sound level requested by the specification, after completion, by a 3rd party accredited institution (ITI or NERD Center) at the expense of the bidder, before giving QCJ report.
