**Dear author,**

We would like to inform you that your manuscript **ref. no 170150** titled « *Molecular Diversity Analysis of Jattal and Dera DinPanah Goat Breeds of Pakistan using Microsatellite Markers* » has been positively evaluated by the assigned reviewers and will be further processed for publication in the Journal of the **Hellenic Veterinary Medical Society**. At the moment, we cannot provide you a DOI code number and in any case we can send you an official HVMS statement signed by the Editor-in-chief Professor, Dr Zoe Polyzopoulou. In addition, you will be notified when the manuscript proof is ready for final inspection.

Thank you for submitting your research work to the **J Hellenic Vet Med Soc** and we are looking forward to receiving your new ones.

**A. E. Tyrpenou**
